

# Green places in Kaunas

## Clothing, home items

### 1 "kARTu", K. Donelaičio g. 24-I

"kARTu" crafts expressive and durable fashion with over 40 handbag and backpack models. Their core values include quality, durability, and functionality, seamlessly blended with modern design. As a socially responsible brand, they prioritize eco-friendly choices, utilizing natural materials up to 100% in their creative process.

### 2 "Uoga uoga", K. Baršausko g. 66A

Natural and organic cosmetics - the main goal is to create organic products and fill an empty niche in the market.

### 3 "Sveikata iš gamtos", V. Krėvės pr. 97

Concentrated, economical cleaning products. It does not contain aggressive chemicals. Suitable for intensive and gentle cleaning and washing.

### 4 "EKOKOMFORTAS", V. Krėvės pr. 97

Ecological cleaning, washing and hygiene products. Bacteria for outdoor toilet, means against mold. Body care products.

### 4 "VIVI", A. Mickėvičiaus g. 27

Vivi crafts affordable, biologically active cosmetics from natural and organic materials, omitting harmful additives and extravagant promises. Their products cover skin, hair, and body care, embodying the essence of being "full of life".

### 5 "Juara", Savanorių pr. 346

Natural and organic cosmetics, professional hair care products

### 6 "Manjana", Savanorių pr. 138

Eco-friendly cleaning products cater to the rising consumer demand for environmentally conscious, natural, and health-safe cleaning solutions in response to a growing concern for the environment and a preference for a healthy lifestyle.

### 7 "Kvapų namai", Vilniaus g. 37

Freshly produced cosmetics from 100% natural, safe, and tested plant materials. Preservative and emulsifier-free, crafted by qualified specialists in aromatherapy, pharmacy, chemistry, cosmetology, and perfumery.

### 8 "Urban green" beauty salon, Liepajos g. 1

This is beauty place which has philosophy less is more. Main concept is reduce, reuse, recycle. Using ecological products.

## Sustainable practices

### 9 "ECAT", Lydos g. 4

The public institution Environmental Management and Technology Center is a non-governmental, non-profit organization.

### 10 "Kūrybos kampas 360", Drobės g. 62

"Creative Angle 360" promotes sustainable consumption and secondary design through education, creative events, and classes. They emphasize reusing items for a second life, using secondary materials, and fostering a culture of sustainable consumption. The initiative hosts seminars, discussions, and film screenings on environmental protection in a dedicated space.

### 11 V&I "Pasaulio piliečių akademija", Gedimino g. 47-1b6

"World Citizens Academy" is a non-profit organization focused on promoting active citizenship and social well-being. Their goal is to develop the competencies of young people for active citizenship in Lithuania and globally through youth projects and sustainable development activities.

### 12 "Lietuvos Žaliųjų Judėjimas", Statybinių g. 7-225

The Lithuanian Green Movement (LGM) was established by national environmental clubs, groups and activists in 1988. Main activities include: environmental education and the raising of public awareness about the environment and sustainable development.

### 13 "MUKKOKA NAMAI", Baltijos g. 90 a

Mukkoka House, born from a passion for children and education, is a home for family creativity, leisure, and education. This responsibly designed space offers creative "NO trash" workshops, where children creatively repurpose items, explore the lifecycle of waste, and discuss a life without garbage.

### 14 Studija "Žali burtai", Lazūnų g. 25A

Workshops for natural cosmetics production and handmade soap, hydrolats, aromatherapy.

### 15 "CupCup", Vilniaus g. 13

CupCup is a social-environmental initiative that aims to reduce the use of single-use beverage packaging in society. The purpose of CupCup is to provide reusable cups for coffee shops, festivals, event venues, other active places in order to switch to closed-loop activity models and reduce the amount of waste generated.

## Sustainable activities

### 16 "Rinkis prekę lietuvišką", Žalgirio arena, Karaliaus Mindaugo pr. 50

The main uniqueness of the exhibition "Choose a Lithuanian product 2023" is that here visitors can find exclusively organic products made in Lithuania. For this reason, the exhibition is very popular and welcomed by those consumers who give priority to the products of local producers.

### 17 "Vegfest LT Kaunas", K. Donelaičio g. 27

Vegfest LT is a plant-based food festival where visitors can enjoy vegan snacks, dishes, desserts, and drinks. The event also offers a variety of meat and milk substitutes, organic products, plant-based literature, recipe books, natural cosmetics, jewelry, accessories, and vegan goods for children.

### 18 "Kaziuko mugė", Laisvės al.

Kaziuko Mugė, or Saint Casimir's Fair, is an annual folk arts and crafts fair in Kaunas held every March. It features creators, craftsmen, farmers, and others selling self-created, non-mass-produced items, including folk arts and crafts, agricultural and food products, and goods preserving ethnic material heritage with traditional methods.

### 18 "KAUNO MUGĖ RUDUO", Laisvės al.

The fair is inseparable from hustle and bustle, music, education and, of course, national heritage products, folk art and handicraft products, jewelry, clothes, baranka, bacon, and other food products.

### 19 "Kaunas FOOD", Karaliaus Mindaugo pr. 49

"Kaunas FOOD" is the first food, beverage and kitchen fair organized in the middle of Lithuania, where you can find organic and ecological products.

### 20 "Park library", P. Lukšio g. 60

The reading room in Kalniečiai Park is part of the "Kaunas - European Capital of Culture 2022" program. In this summer library, you can read and borrow books, flip through the press, and play board and outdoor games.

## Eco markets

### 21 "Livin", Savanorių pr. 255

Livin sells only high-quality natural and organic food products, natural and organic cosmetics, and cleaning products.

### 22 "Ekoagros", Laisvės al. 67

The public institution "Ekoagros" is a non-profit, public legal entity operating in the fields of organic production and certification and control of products produced in accordance with the national agricultural and food quality system.

### 23 "Rupūs Miltai", Kaimynų g. 9

We, members of the Association of Lithuanian Organic Farms, advocate for environmental protection and animal welfare. Visit our house of valuable food, "Rupūs Miltai", at Kaimynų St. 9, Kaunas, where organic products from Lithuanian farms are available for sale.

### 24 "Naturalia ūkis", Karaliaus Mindaugo pr. 49

At Naturalia ūkis, time-tested and valued by customers, you will find fresh meat from meat animals and birds raised on a Lithuanian farm, as well as the highest quality meat products.

### 25 "Eko23", Mosėdžio g. 7

At UAB eko 123 stores, find a wide range of high-quality certified organic and biodynamic products. They aim to promote a healthy lifestyle, educate the public, and emphasize the importance of doing what brings happiness for a long and happy life.

### 26 "Du Medu", Savanorių pr. 321

An organic bakery in the Prienai district offering its customers unsweetened homemade bread baked with sourdough, butter sandwiches with natural butter, healthy dried fruit, organic shakotis.

### 27 "Kauno rajono ūkininkų turgelis", Savanorių pr. 371

The market sells only rural products grown and produced in Lithuania.

### 28 "YARRAH", Partizanų g. 24,

Organic pet food

### 29 "Ekošeima", Krėvės pr. 69-44

"Ekošeima" is a young family company that wants to help Lithuanian families understand the benefits of organic production and discover the best ways to use this production.

### 30 "Bionaturoazė", Krėvės pr. 69-44

Prior to opening their store, they extensively researched organic and natural cosmetics, testing and analyzing their benefits and properties for years. Their accumulated knowledge is now ready to be shared with you.

### 31 "Medikatus", Krėvės pr. 69-44

The values of their company are time-proven quality, reliability and safety, innovation and friendliness to nature. They offer a wide range of their carefully selected products from dermatological cosmetics to organic home care products. They are proud to work with world-renowned manufacturers.

### 32 "Atduotuve", Energetikų g. 60

The values of their company are time-proven quality, reliability and safety, innovation and friendliness to nature. They offer a wide range of their carefully selected products from dermatological cosmetics to organic home care products. They are proud to work with world-renowned manufacturers.

## Restaurants/Cafes

### 33 "Vilties vaistinės Arbatinė", Laisvės al. 100

Established in the city centre since the 2000s first as a vegetarian cafe, then switched its menu to be all-vegan in 2012.

### 34 "Ganga", Panerių g. 187

Fresh, delicious vegetarian food

### 35 "Tealure", Drobės g. 62

Tealure imports quality tea directly from tea farms. They make authentic kombucha and tea chocolate from it.

### 36 "KIRAS", M. Daukšos g. 27

Dessert shop/tea room cafe has a cozy atmosphere and offers coffee and tea with plant milks, and some vegan baked sandwiches and desserts, plus a wide variety of vegan cakes. Menu is mostly vegan.

### 37 "Moksha", Vasario 16-osios g. 6-1

Moksha is small restaurant serving pescatarian (fish & vegan) pan-asian food with a healthy twist. Majority of the food they serve is vegan. They make non traditional kimchi, kombuchas, lemonades, vegan ice-creams and vegan cakes free from added sugar.

### 38 "Radharane", Laisvės al. 40

Radharane, a vegetarian restaurant, is a culinary delight for gourmets who appreciate healthy, flavorful, and diverse food. Using high-quality ingredients like grains, beans, vegetables, fruits, Indian and Lithuanian spices, ghee, paneer, tofu, and soy, they avoid genetically modified products and cooking additives in their dishes.

### 39 "Žalia Pupa", Laisvės al. 78

Žalia Pupa is a restaurant which offers real vegetarian cuisine. They offer gluten-free, sugar-free vegan dishes. On top of it, they use only their own sauces and natural spices!

### 40 "Mokso kavinė", E. Ožėsienės g. 7

Mokso kavinė is not only a cozy place to enjoy a cup of coffee, but also a store of interesting gadgets. Everything they sell is only of plant origin, because they believe that it is good for both our health and the environment. They are always looking for unique products. It's true, not everything works, because every time you visit, you find new products! They are very happy at every opportunity to adapt their cafe space for different activities for their own educations or for product presentations, lectures, and other events organized by you.
